## FOP 89 & The Hall at Marlboro's response to the COVID-19 Pandemic

FOP 89 is closely monitoring the COVID-19 pandemic and we are taking the necessary precautions to ensure that our facility and employees remain safe and healthy. We are following the recommendations from the Centers for Disease Control and Prevention, including; frequent handwashing and use of hand sanitizers, avoiding close contact with visitors to our facility and the public, frequent cleaning and disinfecting of the building, and staying home if we are sick. It should be noted that none of our staff members have reported experiencing symptoms associated with the virus and we have enacted additional cleanliness protocols to combat COVID-19. At this time, we will remain open for scheduled events.

Your safety is equally important to us, and we ask that you also observe the recommendations from the Centers for Disease Control and Prevention when entering our facility. It is important that you cover your coughs and sneezes with a tissue or the inside of your elbow, wash your hands (or use hand sanitizer) following contact with others, and that you stay home if you are sick or experiencing symptoms associated with the virus.

Should you have any questions or concerns regarding your scheduled event at the venue, please contact our Event Coordinator at 301-952-0882. For more information regarding the COVID-19 Pandemic, please visit the Centers for Disease Control and Prevention's website at: <https://www.cdc.gov/coronavirus/2019-nCoV/index.html>, or the Prince George's County Government website at: <https://www.princegeorgescountymd.gov/3397/Coronavirus>.

Sincerely,

Angelo L. Consoli, Jr.
